

Brenda Buster

*Educational Director and President of
To the Nations Academy*

Brenda grew up in Rancho Cucamonga, CA. She accepted Christ at 20 years of age and quickly developed a love for God and His word. She became involved in leading women's groups in her early twenties and also began working in vocational ministry.

It was the late 1990's when the Lord clearly spoke to her about His desire for a 24/7 House of Prayer. That impartation created a strong desire within her to see cities changed as His people come together in prayer.

But her greatest joy was birthed out of homeschooling her children. The Lord gave her a vision for To The Nations Academy; a Pre K-12 academy where children are taught a Biblical worldview in a Christ centered environment. It is her goal to assist in raising up a generation of reformers for "such a time as this" to occupy seats of influence and carry the kingdom of God to the nations of the world.

Brenda and her husband have been married for 30 years and have grown children and two beautiful grandchildren. They have served as Board members and Elders in several churches as well as a Christian school where Brenda also presided as President.
