

DENISE VILLACRES

Director of Operations & Event Planning

Denise was saved in 1970 during the Jesus Movement in a dramatic encounter with the Lord. She was instantly transferred from the Kingdom of darkness into the Kingdom of Light. She has faithfully walked with the Lord ever since.

She has spent the majority of her years in the corporate world working for an innovative company that holds the unrivaled position of "best in the world" in its niche market. While there, she felt as though "tell me" was tattooed on her forehead. Denise is retired now but finds that people continue to seek her out as a sounding board for guidance and counsel.

She is a clear prophetic voice with a desire to help usher in the Kingdom Era. God speaks to her in dreams and visions and she is able to accurately articulate the will of the Lord. She is called to support leaders and functions most effectively in the background where she brings divine order.
